02/16/2016	157	Order by Judge Anna J. Brown as to all defendants. On 2/12/16, the Court entered its Order 146 directing counsel for the parties to confer and to file by Noon today, 2/16/16, a jointly proposed Stipulation and Order addressing as many of the discovery issues raised in filings 141 and 144 . When the Court directs counsel to make a single filing (such as a proposed Stipulation and Order), the Court expects counsel to comply with that direction, but here the government made an individual filing 154 and counsel for Defendant Ammon Bundy made an individual filing 155 while Ms. Hay made a defense filing 153] as a Joint Response to Scheduling Order seeking an extension of time until Noon, 2/19/16, to make a "supplemental" filing reflecting the various positions of the parties. The Court makes the following Order: No later than Noon on 2/19/16, the parties must file a single, Joint Statement reflecting any stipulations that address the discovery issues raised in filings #141 and #144 and reflecting concisely any disputed discovery issues raised in those filings together with the parties' respective positions on those issues. The Court will hear argument on these matters during the proceedings scheduled for 2/24/16. (bb) (Entered: 02/16/2016)

02/17/2016	162	Notice titled "Affirmative Defense, Notice of Criminal Counter Suite against Federal Employees and Other John and Jane Does 1-1000 with Claim for Damages by Declaration of Shawna Cox" filed pro se as to Shawna Cox. The Court directs the Clerk to file this pro se submission for the record. The Court notes, however, that to the extent Defendant's pro se assertions are in the nature of civil claims for damages or other civil remedies they are not cognizable in this criminal proceeding and, therefore, will not be addressed in this case. To the extent Defendant's assertions form the basis of any defense to the criminal charge against her, the Court directs Defendant to work with her counsel, Tiffany Harris, for the purpose of pleading and presenting them in a proper form and at the proper time. 02/17/2016	163	Scheduling Order by Magistrate Judge Janice M. Stewart as to David Lee Fry (13). At the request of defense counsel the 2/19/16 Detention Hearing is reset to Friday, 3/4/2016 at 01:30PM before the duty magistrate judge. (jlr) (Entered: 02/17/2016)
02/17/2016	164	Order by Judge Anna J. Brown as to all defendants. The Court has reviewed the Motion 158 of Defendant Ammon Bundy. The Court directs counsel for the government and counsel for Defendant Ammon Bundy to confer today (2/17/16) in real time (i.e. at least by telephone if not in person, but not only by written communication) in a sufficient effort to resolve or at least narrow that part of Defendant's Motion #158 that is time-sensitive and to file, no later than Noon on 2/18/16, a Joint Statement as to their

		positions on this Motion after such conferral. The Court will review this Motion #158 again after the filing of that Joint Statement. (bb) (Entered: 02/17/2016)

02/18/2016	167	ORDER by Judge Anna J. Brown as to all defendants. The Court has reviewed Defendant Ammon Bundy's Motion 158 to Amend Order to File Joint Statement. Bundy has not established any basis to expedite consideration of the discovery issues related to him any further than the already expedited basis on which the Court is addressing the parties' discovery conflicts. As with all other Defendants, Bundy may include a concise statement of his position in the Joint Status Report to be filed no later than Noon on 2/19/16. The Court, therefore, DENIES Bundy's Motion 158 to Amend Order to File Joint Statement, but construes as a separate Motion Bundy's filing 155 entitled "Reply to Response to Motion by Ammon Bundy" that was, in fact, a reply to the government's response to the Motions filed by Defendants Patrick 141 and Santilli 144 . The Court reminds the parties that they are not entitled to submit legal memoranda regarding motions to which they are not a party. As noted in the Court's Order #157 issued 2/16/16, the parties are to include "any stipulations that address the discovery issues raised in filings # 141 and # 144 and reflecting concisely any disputed discovery issues raised in those filings together with the parties' respective positions on those issues" in their Joint Status Report to be filed no later than Noon on 2/19/16. The Court will address all remaining issues contained in that Joint Status Report and, therefore, resolve the Motions filed by Defendants Patrick 141 , Santilli 144 , and Bundy 155 at the hearing scheduled for 10:00 a.m. on 2/24/16. The Court has received and reviewed communications from Ronald Vrooman, a member of the public who requested in open court during proceedings on February 24, 2016, to participate in this matter as a "private attorney general." The Court notes Vrooman is neither a named Defendant nor is he an attorney admitted to the Bar of the Court in an attorney-client relationship with a named Defendant in the case. The Court also notes there is not any legal authority that permits the participation of any such "private attorney general" in these criminal proceedings. Because participation in this matter is restricted to the named parties and their qualified counsel, the Court, therefore, denies Vrooman's request to be heard in this matter. 03/10/2016	295	Order by Judge Anna J. Brown. On 3/9/16 the Court Clerk received for filing from James J. O'Hagan a submission captioned for this matter and titled "Notice of Intervention." The Court notes Mr. O'Hagan is not a named party to this proceeding nor an attorney admitted to the Bar of this Court representing a named party. Although the submission cites as authority for intervention Federal Rule of Civil Procedure 24, the Federal Rules of Civil Procedure do not apply in this criminal matter, and there is not any legal authority that permits the participation of any such person in these criminal proceedings. Because participation in this matter is restricted to the named parties and their qualified counsel, the Court, therefore, denies Mr. O'Hagan leave to file his submission or otherwise to be heard in this matter. See also Order #213 issued 2/26/16.

		Accordingly, because Mr. O'Hagan does not have standing in this criminal proceeding, the Court directs the Clerk to return his submission to him. (bb) (Entered: 03/10/2016)

04/12/2016	394	ORDER by Judge Anna J. Brown. The Court has reviewed and considered Defendant Flores's First Motion 379 to Continue Trial Date and the Declaration 380 in support thereof. As noted in the Court's Order 389 , the Court concludes it is too early to find any Defendant does not have sufficient time to prepare for trial and jury selection beginning on 9/7/16. With respect to counsel's existing conflicts with proceedings already scheduled in other matters, the Court likewise concludes it is premature to find those other matters will, in fact, go as presently scheduled. Accordingly, the Court DENIES Defendant's Motion as premature but with leave to renew no earlier than 7/7/16 on a specific factual record demonstrating that, despite diligent preparation, this Defendant is unable to be prepared to begin jury selection as scheduled on 9/7/16, or demonstrating the pre-existing scheduling conflicts of Defendant's counsel persist in a way that makes it unreasonable to require this Defendant to proceed to trial 9/7/16.as to Eric Lee Flores (25) (bb) Modified on 4/18/2016, to correct typo. Pursuant to the Order (#389) issued 4/11/16, the deadline for filing the first round of Motions in this matter regarding legal issues is 4/27/16, and the government's responses are due 5/11/16. No replies are permitted. The Court will hear oral argument on these Motions 5/23/16, 5/24/16, and 5/25/16 subject to time allotments to be set by the Court. REMINDER: All defense motions are deemed filed on behalf of all Defendants unless noted otherwise in the caption or a specific Defendant opts out in a notice filed with the Court within 3 days of the filing of the motion. All motions require advance conferral with opposing counsel, and the conferral must be in real time rather than merely by email and must be done sufficiently in advance of filing for two reasons: (1) to seek to narrow the disputed issue as much as possible and (2) to provide opposing counsel enough information about the basis of the motion to begin to prepare the response even before the motion is filed as deadlines for responses will be short out of necessity. In addition, although no replies will be permitted, the moving party may reply on the record during argument. Ordered by Judge Anna J. Brown. (dls) (Entered: 04/15/2016)

The Court cautions Defendant, however, that another unexcused failure to appear at a court appearance in this case may result in the revocation of Defendant's pretrial release status. Defendants motion is denied due to his prior criminal history and possession of weapons, including being armed with an assault rifle during the armed occupation of the Malheur National Wildlife Refuge. He asked to be released to live in Nevada with his companion Deborah Pope. However, she was a cook at the Refuge during the occupation and was also armed at the time, making Defendants proposed pretrial release living arrangement unsatisfactory. Although defendant is an honorably discharged combat veteran, his past and present illegal activities render him a danger to the community. Craig J. Gabriel present as counsel for plaintiff(s). 04/20/2016	440	ORDER by Judge Anna J. Brown. The Court has reviewed Defendant Kenneth Medenbach's Motion 361 for Reconsideration and related Amended Motion 384 to Dismiss. In those Motions Medenbach raises the same arguments that the Court rejected when, on March 11, 2016, it denied Medenbach's oral Motion to Dismiss for Lack of Subject Matter Jurisdiction. Moreover, the arguments raised by Medenbach are the same arguments that the Ninth Circuit Court of Appeals and other courts in this District have repeatedly rejected. See <i>United States v. Medenbach</i> , No. 96-30168, 1997 WL 306437, at *3 (9th Cir. June 5, 1997). See also <i>United States v. Medenbach</i> , No. 1:15-cr-00407-MC, 2016 WL 1394440, at *1 (D. Or. Apr. 7, 2016); <i>Medenbach v. United States</i> , No. 1:14-cv-00641-PA (D. Or. Apr. 22, 2014). The Court, therefore, concludes Medenbach's contentions are without merit. Accordingly, on this record the Court DENIES

04/21/2016	445	Order by Judge Anna J. Brown as to all defendants. The Court has reviewed the parties' Joint Discovery Report #442 and makes the following Order: With respect to Dispute No. 1, Defendants must file their collective motion no later than 5:00 pm on 4/25/16, and the government must file its opposition no later than 8:00 am on 5/2/16. No reply filing is permitted. The Court will hear argument on the motion at the 5/4/16 Status Hearing. With respect to Dispute No. 2, the Court is not aware of authority requiring the government to create "lists" of evidence such as transcribed statements. Nevertheless, as the government acknowledges, it must produce such transcriptions. Accordingly, the Court directs the government to give high priority to producing any transcribed statements by any Defendant as the government continues to produce discovery generally and, if such transcribed statements have not been produced to Defendants by the 5/4/16 Status Hearing, to be prepared to specify when they will be produced and the reason for any further delay in doing so. 04/25/2016	455	ORDER: The Court DENIES Defendant Ammon Bundy's "Emergency" Motion (#453) for Extension of Time. Bundy has been aware of the basis of his anticipated motion to dismiss for lack of subject-matter jurisdiction since these proceedings began and has not made any showing that he has been unable to prepare sufficiently despite due diligence. Moreover, the compressed timeline on which this case is proceeding (in large part at Ammon Bundy's insistence) does not allow for flexibility as to the timing of this first round of legal motions. Accordingly, the Court directs Ammon Bundy to file his anticipated motion to dismiss for lack of subject-matter jurisdiction no later than April 27, 2016. In addition, the Court notes it appears Ammon Bundy's anticipated motion relies on the type of historical and legal facts that do not ordinarily necessitate an evidentiary hearing or the examination of live witnesses. Accordingly, the Court directs Ammon Bundy to file any necessary supporting material in the form of declaration(s) together with his anticipated motion. After reviewing Ammon Bundy's submissions, the Court will determine whether an evidentiary hearing is necessary. Ordered by Judge Anna J. Brown. (dls) (Entered: 04/25/2016)

04/27/2016	475	Order by Judge Anna J. Brown as to Ammon Bundy. The Court has reviewed Defendant Ammon Bundy's Motion 470 to Continue, and, in light of Bundy's recent absence from the District of Oregon, the Court finds good cause has now been shown warranting an extension of the 4/27/2016 filing deadline roughly equal to the length of Defendant's absence for Defendant to file his motion to dismiss for lack of subject-matter jurisdiction. Accordingly, the Court GRANTS in part Defendant's Motion 470 and extends the deadline for the filing of this Motion to Noon on 5/9/2016. In turn, the government's response is due at Noon on 5/16/2016. The Court will hear argument on the Motion within the time currently set aside for oral arguments beginning 5/23/2016.. 05/09/2016	530	ORDER by Judge Anna J. Brown as to Ammon Bundy (1). The Court STRIKES the Motion 527 to Dismiss for Lack of Subject Matter Jurisdiction filed by Defendant Ammon Bundy. Bundy's Motion and attached Memorandum total 33 pages in length, the vast majority of which contains detailed factual background and legal argument that is only appropriately included in a memorandum in support. Accordingly, Bundy's Motion and Memorandum does not comply with the Court's Order 464 in which the Court granted Bundy's Motion 463 for Leave to File Memorandum Over 10 Pages, and permitted Bundy to file a memorandum in support of his motion that did not exceed 15 pages. The Court grants Bundy leave to re-file his motion no later than Noon on May 10, 2016. Defendant Bundy's re-filed motion may not exceed 3 pages (including the case caption and signature block). Bundy's re-filed memorandum in support may not exceed 15 pages (including the case caption and signature block) or 4,500 words of text (including footnotes), whichever is less. All pleadings must conform to the formatting requirements of Local Rule of Civil Procedure 10. If Defendant Bundy's re-filed motion does not comply with the Court's orders, the motion will be considered waived and may not be renewed. In the alternative, after real-time conferral with counsel for the government, Bundy may file no later than Noon on May 10, 2016, a second motion for leave to file an overlength brief together with a showing as to the necessity of a memorandum of greater than 15 pages. 05/17/2016	575	Order by Judge Anna J. Brown as to David Lee Fry. The Court has reviewed the government's Response 569 to David Lee Fry's Motion 493 to Compel Discovery. The Court finds the government's assurance that it will not introduce at trial Fry's statements from the February 11, 2016, interview does not moot the discovery issues in Defendant's Motion because any finding that government agents violated Fry's Sixth Amendment right to counsel would require the Court also to analyze whether there are fruits of that violation that must also be excluded from evidence. Accordingly, the Court directs the government to file a supplemental memorandum addressing this issue no later than May 25, 2016. The Clerk will schedule a hearing thereafter for Defendant Fry and his counsel to reply on the record and for the Court to hear any additional government argument on Defendant Fry's Motion. 05/17/2016	577	Order Setting Oral Argument Schedule on Motions 465 , 469 , 471 , 474 , and 480 ; and Permitting the Filing of Replies for Motions 479 , 482 , 505 , and 527 by Judge Anna J. Brown. After reviewing the record on Defendants Round One Motions, the Court has determined oral argument on the following schedule will be helpful to resolve the issues raised in the following Motions: Defendants Motion 465 to Dismiss Count 3 of Superseding Indictment; Defendants Motion 469 for Bill of Particulars; Defendants Motion 471 to Dismiss Count 1 for Vagueness and Defendant Peter Santillis Motion 477 to Dismiss Count 1 for Vagueness; and Defendants Motion 474 to Dismiss Count 1 as Overbroad. These motions will be heard on 5/23/2016 at 9:30 AM. With respect to Defendants Motion 480 to Dismiss, the Court will determine whether to allocate time for oral argument after it receives the parties input regarding the potential effect of the pending appeal in the Ninth Circuit on this Motion. The Court concludes oral argument is not necessary to resolve the following Motions: 1. Defendant Peter Santillis Motion 479 to Dismiss Count 1 as Constitutionally Protected Conduct. 2. 05/24/2016	600	Order by Judge Anna J. Brown. To facilitate the collection of information from potential jurors necessary to the jury-selection process, the Court will use a case-specific jury questionnaire for jurors to complete as part of the summoning process. Accordingly, the Court directs the parties to file no later than June 15, 2016, a single, jointly-proposed, case-specific jury questionnaire for the Court's consideration. When finalized by the Court, this jury questionnaire will be sent to those summonsed jurors who are not excused from their summonses after their responses to the initial summons documents. In the parties' single, jointly-proposed jury questionnaire, the parties must set forth in logical order all the questions they propose the Court should include in the final version of the questionnaire, identify which questions they request jointly and which proposed questions are the subject of any dispute. As to each disputed proposed question, the parties must provide next to that proposed question a concise statement of the reason(s) for or against the proposed question. After considering the parties' joint filing, the Court will complete its first draft jury questionnaire and return it to the parties no later than June 22, 2016, for any additional feedback any party wishes the Court to consider. Any such responsive input is due no later than June 30, 2016, along with the parties' Joint Status Report ahead of the July 6, 2016, Status Hearing. 05/26/2016	614	ORDER on Defendants' Motion for Bill of Particulars 469 by Judge Anna J. Brown. The Court, in the exercise of its discretion, DENIES Defendant Joseph O'Shaughnessy's Motion 469 for a Bill of Particulars on behalf of all Defendants. In the exercise of its case-management discretion and to facilitate the parties' mutual trial preparation, however, the Court directs the government to provide to each Defendant no later than June 6, 2016, the two statements herein specified. (bb) (Entered: 05/26/2016)
05/26/2016	615	Order by Judge Anna J. Brown as to Ammon Bundy. The Court acknowledges the filing of Defendant Ammon Bundy's Notice 610 of Substitution of Counsel in which Bundy seeks to substitute J. Morgan Philpot of Utah as counsel in place of Michael Arnold and Lissa Casey. Ammon Bundy's Notice states Mr. Philpot is "admitted or otherwise authorized to practice in this Court." The Court notes Mr. Philpot has an application for admission to this Court pending, but he is not currently admitted to practice before this Court and, therefore, he is presently not eligible to be substituted as counsel. Accordingly, the Court construes Ammon Bundy's Notice 610 for Substitution of Counsel as a Motion to Withdraw as counsel that, pursuant to Local Rule 83-11, requires leave of Court. The Court will hold that Motion in abeyance until Mr. Philpot has completed his admission process. The Court directs Ammon Bundy's current counsel or Mr. Philpot to provide the Court with notice when the admission process is completed at which time the Court will review the Motion again. Accordingly, the Court DENIES as moot Defendant Fry's Motion 493 to Compel Discovery with leave to renew after full conferral in the event there is any disagreement between the parties regarding the scope of evidence that should not be

		introduced at trial because of counsel's invocation of Defendant Fry's rights. (bb) (Entered: 05/27/2016)

06/13/2016	681	Order by Judge Anna J. Brown as to Kenneth Medenbach. The Court has reviewed Defendant Kenneth Medenbach's Motion 660 to Dismiss and has been advised the government does not intend to file a response to the Motion. The Court finds this Motion is framed on materially the same basis as Defendant's previous Motion 505 to Dismiss that the Court denied by its June 3, 2016, Order 649 Resolving Round One Motions on the Pleadings and concludes oral argument on this Motion is not warranted. In any event, the Court finds the additional information Defendant provides in this Motion does not affect the Court's legal analysis and conclusions resulting in the denial of Defendant's Motion 505 because the Court remains bound by Supreme Court precedent. Accordingly, for the same reasons the Court provided in Order 649 Resolving Round One Motions on the Pleadings, the Court DENIES Defendant Medenbach's Motion 660 to Dismiss. 06/13/2016	690	ORDER by Judge Anna J. Brown. Continuing Trial for Defendant's Sean Anderson, Jon Ritzheimer and Jake Ryan. The Court, however, defers until the August Status Hearing in this matter (August 3, 2016) setting a new trial date for these Defendants and any others who may waive their speedy trial rights and request a continuance. Notwithstanding the Courts continuance of the trial date, Defendants Sean Anderson, Ritzheimer, and Ryan must continue to participate in the ongoing Status Hearings in this matter through August 3, 2016, and they remain bound by the Courts rulings on all motions (including government motions) that raise issues applicable to them except to the extent that Defendants Sean Anderson, Ritzheimer, and Ryan explicitly opt out of any particular motions brought by other Defendants. 06/17/2016	727	Order as to Travis Cox by Judge Anna J. Brown. Defendant Travis Cox is currently set for trial on June 28, 2016. Pursuant to the Order 289 Designating this Case as Complex, issued March 9, 2016, and the Order 389 , issued April 11, 2016, the Court has currently set a single trial to begin September 7, 2016, as to all Defendants who have not yet

		waived their rights under the Speedy Trial Act and found finding excludable delay under the Speedy Trial Act through that date. It appears Defendant Cox was set for trial on a different date only because he was arraigned after the Court entered those Orders. Accordingly, the Court resets Cox's trial date from June 28, 2016, to September 7, 2016. In addition, the Court concludes the same reasons that justified the finding of excludable delay under the Speedy Trial Act as to the other Defendants apply equally to Cox, and, therefore finds excludable delay through September 7, 2016. This Order does not affect Defendant Cox's right to file a motion to continue his trial date no later than June 30, 2016. (bb) (Entered: 06/17/2016)

The Court agrees with the parties' joint recommendation in the Joint Status Report 740 that the Court continue to defer consideration of Defendants' Motion to Dismiss 480 until after the Ninth Circuit resolves the pending interlocutory appeal on related grounds. Having observed the appellate oral argument by video, the Court concludes that argument together with the parties' written submissions are sufficient for the Court to decide this Motion without oral argument. Accordingly, the Court will take Defendants' Motion 480 under advisement without oral argument after the Ninth Circuit issues a decision in Case Number 16-30080. (bb) (Entered: 06/21/2016)

06/24/2016	776	Order by Judge Anna J. Brown as to Jason Patrick. The Court grants the unopposed, email request by Defendant Jason Patrick through his Stand-By Counsel, Andrew Kohlmetz, for an extension of the June 24, 2016, deadline (#726, p.8) until close-of-business on June 29, 2016, to file a motion to compel "database information" for the purpose of allowing the parties additional conferral time that may moot the need for the motion. If such motion is filed, the government's response thereto remains due no later than July 1, 2016, unless extended by the Court for good cause shown, after which the Court will determine whether a reply memorandum is needed to resolve the matter. (bb) (Entered: 06/24/2016)
06/24/2016	777	ORDER by Judge Anna J. Brown. The Court has reviewed the Motion 700 to Compel Production of the Investigation of FBI Use of Force and Cover-Up in the Finicum Shooting filed by Defendant David Lee Fry in the context of the government's Renewed Motion 755 for Order Permitting the Government to File Under Seal and Ex Parte the Declaration of AUSA Holsinger as part of its response to the Motion as well as Fry's Response 769 to the Government's Renewed Motion. The Court notes the consideration of ex parte filings on contested matters is strongly disfavored, especially in a criminal proceeding, and is only appropriate after a compelling showing of necessity. The Court concludes the government has not yet demonstrated the ex parte filing is necessary to respond to Fry's Motion to Compel on its merits, and, therefore, the Court DENIES the government's Motion 755 for Order Permitting the Government to File Under Seal and Ex Parte the Declaration of AUSA Holsinger. The Court directs the government to file no later than Noon, Monday, June 27, 2016, its response to Fry's Motion to Compel, which may at the government's option include references to the Holsinger Declaration, but the government must not file the Declaration itself unless the government is willing to do so under seal and pursuant to a protective order as proposed by Defendant Fry. If after reviewing the government's Response (without the Declaration) the Court determines it cannot fairly consider the government's arguments without also considering the information the government proposes to provide via the requested ex parte submission of the Holsinger Declaration, the Court will reopen its consideration of the government's Renewed Motion 755 regarding the ex parte filing and advise the parties accordingly. 06/29/2016	792	ORDER by Judge Anna J. Brown. Defendants Ryan Payne, Ammon Bundy, Joseph O'Shaughnessy, Ryan Bundy, Peter Santilli, and Blaine Cooper (collectively Defendants) move to dismiss the Superseding Indictment on the basis that their simultaneous prosecution in the District of Nevada and their 13-day absence from the District of Oregon in April 2016 for the purpose of being arraigned in the District of Nevada denied Defendants their rights to due process and effective assistance of counsel in the District of Oregon. The Court finds, however, that Defendants have not made any showing that their simultaneous prosecution in the District of Nevada generally nor their single, short-term trip to Nevada specifically has prejudicially interfered with their rights in this proceeding or their ability to prepare their defenses in this matter. Accordingly, the Court DENIES Defendants' Motion 480 to Dismiss. (bb) (Entered: 06/29/2016)

07/01/2016	826	Order by Judge Anna J. Brown as to Ammon Bundy, Ryan Bundy, Shawna Cox, Neil Wampler. This Order addresses the scheduling of the Court's consideration of the following Motions: (1) the Motion 815 to Continue September 7, 2016, Trial Date filed by Ammon Bundy; (2) the Motion 818 to Continue September 7, 2016, Trial Date filed by Ryan Bundy; (3) the Motion 816 for Extension of Time to File Motion to Continue Trial filed by Defendant Neil Wampler; and (4) the Motion 820 for Extension of Time filed by Shawna Cox. With respect to the first two Motions (#815 and #818), the Court notes these Motions do not include any certification of conferral with government counsel contrary to the Court's consistent directives on the record and in various case-

		management Orders such as Order 415 ("All motions require advance conferral with opposing counsel, and the conferral must be in real time rather than merely by email and must be done sufficiently in advance of filing...."). Although counsel for Ammon Bundy indicate he did not decide to seek a continuance until late in the evening on the date of the deadline for motions to continue the trial date, the timing of that decision does not excuse the failure to confer with the government before filing the Motion because this deadline has been in place since the Court set it by Order (#726) issued June 17, 2016. Indeed, the Court notes that rather than file an incomplete motion, Defendants Neil Wampler and Shawna Cox filed a motion to extend the deadline to seek a continuance. And although Defendant Ryan Bundy is self-represented, he has standby counsel who could assist him in accomplishing the required conferral. In any event, the Court directs counsel for Ammon Bundy and standby counsel for Ryan Bundy to confer meaningfully in person or by telephone with counsel for the government as to these Motions. The Court also directs these Defendants to file no later than 3:00 p.m. on July 5, 2016, a supplemental memorandum in further support of their Motions which confirms by certification that meaningful conferral took place as to the bases of the Motions and informs the Court of the government's position on these Motions (#815, #818). The Court will address these Motions as part of the agenda at the Regular Status Hearing scheduled for July 6, 2016. With respect to Motions (#816 and #820) on behalf of Defendants Wampler and S. Cox, the Court will also address these matters as part of the agenda at the Regular Status Hearing scheduled for July 6, 2016. (bb) Modified on 7/1/2016 correcting date of Status Conference (bb). 07/06/2016	843	Order by Judge Anna J. Brown as to Shawna Cox. The Court acknowledges the filing by Defendant Shawna Cox of a pro se Affidavit 840 in which she makes numerous erroneous statements of applicable law and raises issues about the adequacy of representation by her assigned counsel. The Court also notes that, during the 7/6/16 Status Hearing, Ms. Cox's counsel requested that the Court conduct a Faretta hearing with Ms. Cox. 07/26/2016	930	Order Setting Trial Date for Continued Defendants by Judge Anna J. Brown as to Jon Ritzheimer, Jason Patrick, Duane Leo Ehmer, Dylan Anderson, Sean Anderson, Sandra Lynn Anderson, Darryl William Thorn, Jake Ryan Based on the agreement of the continued Defendants and without objection from the government, the Court sets jury trial (2-3 mos) for the continued Defendants to begin on 2/14/2017. The Court finds excludable delay through the new trial date of 2/14/2017. They are also excused from all remaining pretrial proceedings before 09/07/2016. Beginning 9/14/2016, and on the second Wednesday of each month through 2/8/2017, the Court directs the continued Defendants and the government to provide the Court with a single, joint status message that sets out concisely any new issues that the Court must address in order to permit their trial preparation to proceed without delay. SEE attached Order. (bb) (Entered: 07/26/2016)
07/26/2016	932	ORDER by Judge Anna J. Brown as to Kenneth Medenbach (16). Defendant Kenneth Medenbach has filed an Amended Motion 921 to Dismiss Based on Unlawful Oath of Office on the same basis as the oral Motion to Dismiss that Defendant Medenbach raised at the Faretta Hearing held March 11, 2016, and that the Court denied on the record at that hearing and on the same basis as his Motion for Reconsideration 361 and Amended Motion 384 to Dismiss that the Court denied by Order 440 issued April 20, 2016. In addition, Medenbach has informally raised this and related issues during Status Hearings on multiple occasions. As the Court has previously pointed out to Medenbach, minor variations in the phrasing of the oath of office does not deprive this Court of jurisdiction. See United States v. Medenbach, No. 96-30168, 1997 WL 306437, at *3 (9th Cir. 1997). Accordingly, the Court DENIES Medenbach's Amended Motion 921 to Dismiss Based on Unlawful Oath of Office. The Court also directs the Clerk to strike Medenbach's Motion 920 to Dismiss Based on Unlawful Oath of Office that was superseded by Medenbach's subsequent Amended Motion. (bb) (Entered: 07/26/2016)

07/27/2016	937	Order by Judge Anna J. Brown as to Blaine Cooper. The Court, therefore, directs Defendant to be released to the District of Nevada hold. In the event Defendant is expected to be released from Nevada before he is sentenced in the District of Oregon, the Court directs counsel for Defendant Cooper and the United States to give this Court advance notice thereof so that, if necessary, this Court may reimpose its detention orders or address any conditions of release that may be necessary. 07/29/2016	955	ORDER: The Court acknowledges the filing of Documents (# 941 , # 942 , # 943 , # 944 , # 945 , # 946 , # 947 , and # 948) by Defendant Ryan Bundy on July 28, 2016. After reviewing the Documents the Court concludes they do not raise any legally cognizable issue for this Court to address in these proceedings. Ryan Bundy, therefore, will not be permitted to re-raise any issue that he addresses in his July 28, 2016, filings, or to make any argument to the jury regarding the contents of those filings. In those documents, however, the Court notes Defendant Ryan Bundy repeatedly asserts he is not subject to this Court's jurisdiction and, therefore, is not subject to this Court's Orders. At his Faretta hearing on March 18, 2016, the Court instructed Ryan Bundy that he was required to follow all Court Orders, and that failure to follow Court Orders could result in Bundy forfeiting the right to represent himself. The Court, therefore, warns Ryan Bundy that any further indication that he will not follow the Court's Orders will result in Ryan Bundy forfeiting the right to self-representation. If that occurs, the Court will reinstate Standby Counsel Lisa Ludwig as Ryan Bundy's counsel for the remainder of these proceedings. Ordered by Judge Anna J. Brown. (mja) (Entered: 07/29/2016)
07/29/2016	956	ORDER: Defendant Ryan Bundy moves to dismiss this action on the basis that this Court does not have jurisdiction over a "civil or criminal proceeding regarding a debt, in Harney County, Oregon." These proceedings, however, do not concern any debt. This is a federal criminal action brought by the United States against the Defendants named in the Superseding Indictment (# 282). This Court has jurisdiction over this federal criminal action pursuant to Article III, Section 2, United States Constitution. The Court, therefore, DENIES Defendant Ryan Bundy's Motion (# 927) to Dismiss. If Ryan Bundy raises this issue again, he will forfeit his right to self-representation. Ordered by Judge Anna J. Brown. 08/09/2016	989	Motion to Unseal Document <i>Government witness list</i> by Defendant Shawna Cox. (Harris, Tiffany) (Entered: 08/09/2016)
08/09/2016	990	ORDER by Judge Anna J. Brown as to Shawna Cox (7). The Court has reviewed Pro Se Defendant Shawna Cox's Motion 989 to Unseal Government Witness List which Defendant filed on August 9, 2016. The Court notes the parties (including Cox) filed on July 28, 2016, a Joint Motion 940 for Leave to File Witness Lists Under Seal, which the Court granted by Order 952 , issued July 29, 2016. The Court found good cause to grant the parties' Joint Motion for Leave to File Witness Lists Under Seal in order to "protect witnesses from improper contact before trial" in light of the public interest in this case and the efforts of some individuals not associated with the parties to influence these proceedings. In support of her current Motion, however, Cox cites Oregon state statutory and constitutional principles that do not apply in this federal criminal proceeding. Moreover, the Court finds wholly meritless Cox's contention that the Order sealing the witness lists is depriving her of the opportunity to confront witnesses against her. This is so because Cox, as a party to these proceedings, already has access to the government's witness list and, accordingly, already has the opportunity to prepare to cross-examine even before trial. Moreover, Cox, like all of the other Defendants will have an opportunity to cross-examine and confront government witnesses at trial. In any event, the identities of all trial witnesses will become public during the trial proceedings. The Court concludes the rationale for sealing the parties' witness lists pretrial applies with equal force today as it did when the Court granted the parties' Joint Motion for Leave to File Witness Lists Under Seal less than two weeks ago. Accordingly, the Court DENIES Cox's Motion 989 to Unseal Government Witness List. (bb) (Entered: 08/09/2016)

08/09/2016	992	Order by Judge Anna J. Brown as to Kenneth Medenbach. Defendant Kenneth Medenbach moves to dismiss the Superseding Indictment 950 on the basis that the United States may not lawfully exercise jurisdiction over the Malheur National Wildlife Refuge (MNWR), and, therefore, the criminal charges in this case must be dismissed. In the Court's Order 649 Resolving Round One Motions on the Pleadings, issued June 3, 2016, the Court concluded the United States has constitutional authority to own and to

		regulate the MNWR. Medenbach's current Motion 950 to Dismiss is controlled by that decision. Accordingly, on this record the Court DENIES Medenbach's Motion 950 to Dismiss. The Court issues a final warning to Medenbach that he will lose his right to proceed pro se the next time he files a motion based on matters that have already been resolved, including the United States government's authority to own and to regulate the MNWR. 08/18/2016	1061	Order by Judge Anna J. Brown as to Ammon Bundy. On August 17, 2016, Defendant Ammon Bundy filed Document 1052 that is titled "Trial Memorandum and Opposition to the Government's Motion in Limine re: Adverse Possession" and that is 28 pages in length. The substance of this filing, however, is solely a response to the government's Motion 959 in Limine to Exclude the Defense of Adverse Possession, and, pursuant to the Court's Order 917 and Order 389 , all motions in limine and responses thereto are limited to 10 pages in length. On the other hand, pursuant to the Court's Order 917 , the parties were permitted to file trial memoranda up to 35 pages in length. Ammon Bundy's trial memorandum was due August 16, 2016, pursuant to the Court's Order 1041 , but Document 1052 was not filed by that deadline. Thus, to the extent Document 1052 is a response to the government's Motion 959 in Limine, it violates the page limitations of Orders 917 and 389 without seeking and obtaining leave to do so, and to the extent it is a Trial Memorandum, it likewise violates the deadline set in Order 1041 . The Court, therefore, STRIKES Ammon Bundy's Trial Memorandum and Opposition to the Government's Motion in Limine re: Adverse Possession 1052 , but grants him leave to make a new filing no later than Noon on August 18, 2016, that is responsive to the government's Motion 959 in Limine to Exclude the Defense of Adverse Possession and that complies with the page limitations in Order 917 and Order 389 . To the extent Ammon Bundy wishes to file a late Trial Memorandum, he may file without delay a motion requesting leave to do so supported by a showing of good cause and attaching a copy of the pleading he seeks to file late. To the extent Defendant seeks delay of the jury selection proceedings which have been set for several months to begin on 9/7/16, the Motion is denied. 08/31/2016	1165	Order by Judge Anna J. Brown. The Court has reviewed the Motion 1160 of Senator Ron Wyden and Senator Jeff Merkley to Quash Subpoenas and the Motion 1163 of Non-Party The Honorable Greg Walden to Quash Subpoena. In light of the fact that these Motions are supported by similar arguments that the Court already has found sufficient to grant 1121 the similar Motion 1067 to Quash of Governor Kate Brown, the Court makes the following Order: 1. To the extent the subpoenas at issue call for the appearance on September 7, 2016, of Senator Wyden, Senator Merkley, and/or Congressman Walden in the jury trial of this matter, the Court SUSPENDS the subpoenas pending further Order of the Court. 2. The Court DIRECTS Defendant Ryan Bundy to file a written response to each of these Motions no later than Noon on 9/12/16, and to show cause therein why the Court should not quash each of the subpoenas for the reasons asserted in the Motions and based on the Court's similar analysis which resulted in quashing Defendant's similar subpoena of Governor Kate Brown. 3. The Court will take the Motions under advisement on 9/12/16 based on the record then existing. In the event the Court needs additional briefing on these issues, the Court will so inform the parties. 09/02/2016	1179	Order by Judge Anna J. Brown. The Court notes Defendant Peter Santilli's untimely filing of a Second Motion 1175 in Limine. The government included the exhibits that Santilli seeks to exclude in each of the government's Exhibit Lists (#957, #993, #1083, #1158), the first of which was filed on July 29, 2016. Defendants' motions in limine were due on August 10, 2016. The Court conducted a Pretrial Conference on August 22, 23, 24, and 25, 2016. The Court resolved the vast majority of the evidentiary issues raised at the Pretrial Conference in its Order 1171 Re: Final Pretrial Conference issued September 1, 2016. Santilli filed his Motion on September 2, 2016. The Court notes the admissibility of at least some of the specific exhibits that Santilli now seeks to exclude can be resolved pursuant to the principles that the Court expressed in its Order 1171 in resolving Santilli's Motion 1006 in Limine and Memorandum 1011 in Opposition to the Government's Trial Memorandum. The Court, therefore, directs the parties to confer and to file a single, joint statement no later than 9:00 a.m., Tuesday, September 6, 2016, specifying the particular remaining disputes and concisely setting out the parties positions. The Court will resolve any remaining disputes on the record at the hearing on Tuesday, September 6, 2016. In addition, the Court directs Santilli to be prepared to show good cause for the untimely filing of this Motion at the September 6, 2016, hearing. (bb) (Entered: 09/02/2016)

09/06/2016	1187	Order of USCA-9th Circuit as to Shawna Cox regarding Notice of Appeal - Interlocutory 1088 USCA # 16-30193. Appellant's emergency motion for a stay (Docket Entry No. 2) is denied. See <i>Hilton v. Braunskill</i> , 481 U.S. 770, 776 (1987). Further, a review of the record suggests that this court may lack jurisdiction over the appeal because the district court's August 15, 2016 order does not appear to be appealable as a final judgment or an order that comes within the collateral order doctrine. See 28 U.S.C. § 1291; <i>Midland Asphalt Corp. v. United States</i> , 489 U.S. 794, 798 (1989) (stating that finality requirement generally "prohibits appellate review until after conviction and imposition of sentence"). Within 21 days after the date of this order, appellant shall move for voluntary dismissal of the appeal or show cause why it should not be dismissed for lack of jurisdiction. See 9th Cir. R. 27-9.1 (motion for voluntary dismissal

		must be accompanied by appellants written consent or counsel's explanation of why appellant's consent was not obtained). If appellant elects to show cause, a response may be filed within 10 days after service of the memorandum. If appellant does not comply with this order, the appeal may be dismissed without further notice to appellant. See 9th Cir. R. 42-1. Briefing is suspended pending further order of the court. 09/12/2016	1238	Order by Judge Anna J. Brown as to September trial defendants. As noted on the record at the conclusion of proceedings on 9/9/16, the Court and the parties agreed it is appropriate to defer final ruling on various points of law that must be settled before the close of the government case-in-chief, but, nonetheless, do not need to be included specifically in the Preliminary Jury Instructions. Those issues were (1) a jury instruction regarding withdrawal from the conspiracy, (2) the proper definition of "officers of the United States," (3) the definition of "force" as relevant to Count One, and (4) whether the intent to permanently deprive the owner of the allegedly stolen property is an

		<p>element of Counts Four and Five. To the extent that the parties would like to submit further argument on any such issue, the Court directs the party requesting any change in the Court's Fifth Draft of Preliminary Jury Instructions to file no later than September 19, 2016, a memorandum in support of their position together with specific language they request the Court to include in the Final Jury Instructions. Responses to any such memorandum are due no later than September 23, 2016. To the extent that any party requests additional jury instructions that do not affect the Court's legal analysis of any motion for judgment of acquittal (e.g., an instruction regarding charts and summaries in evidence or other instructions regarding evidence-specific issues), consistent with the Court's Order (#1226) the Court directs the parties to confer and to file a single, joint statement setting out such proposed instructions and the supporting legal authority no later than September 30, 2016. To the extent that the basis for any additional jury instruction(s) arises after September 30, 2016, the Court directs the parties to alert the Court promptly to any such issue. The Court has completed its consideration of the reopened Motion 741 to Suppress Evidence (Facebook Accounts) filed by Defendant David Lee Fry on behalf of all Defendants. In addition, pursuant to its supervisory authority over the government, the Court finds it necessary to ADMONISH the government for its lack of diligence in failing to ensure that nonresponsive data from the seized Facebook accounts was sealed or destroyed in a timely manner following completion of the segregation of nonresponsive data pursuant to the terms of the Search Warrant. 09/12/2016	1251	<p>ORDER by Judge Anna J. Brown. The Court GRANTS the Motion 1160 to Quash Subpoenas filed by Senators Jeff Merkley and Ron Wyden and the Motion 1163 to</p>

		Quash Subpoena filed by Representative Greg Walden. In Order 1165 (issued Aug. 31, 2016), the Court suspended those subpoenas and directed Defendant Ryan Bundy (who issued the subpoenas) to show cause in writing no later than Noon, September 12, 2016, why the subpoenas should not be quashed on a similar basis to the Court's Order 1121 Granting the State of Oregon's Motion to Quash Subpoena of Governor Kate Brown. That deadline has passed and Ryan Bundy has not shown good cause. After reviewing the Motions of Sen. Wyden, Sen. Merkley, and Rep. Walden, the Court concludes Ryan Bundy has not established those public officials "have direct personal factual information pertaining to the material issues in [this] action," that cannot be obtained "through any other sources." See Order 1127 (issued Aug. 26, 2016, at 2-4) (quoting <i>Coleman v. Schwarzenegger</i> , Nos. CIV S-90-0520 LKK JFM P, C01-1351 TEH, 2008 WL 4300437, at *2 (E.D. Cal. Sept. 15, 2008)). Accordingly, the Court QUASHES the subpoenas served on Senator Wyden, Senator Merkley, and Representative Walden by Defendant Ryan Bundy. (bb) (Entered: 09/12/2016)

The Court notes Defendants have not filed any response to the government's Motion, and the time for Defendants to do so has now passed. See Order 1226 (issued Sept. 7, 2016). In any event, the Court will take judicial notice as requested by the government because the government has demonstrated those facts are a matter of public record and are not subject to reasonable dispute. The Court has made a preliminary review of Defendant Ammon Bundy's Emergency Motion 1248 to Enjoin Prosecution, Dismiss with Prejudice, and Other Relief. To the extent that Motion seeks a continuance of the trial currently underway or a stay of this matter, the Motion is denied as untimely. To the extent Ammon Bundy seeks to dismiss this matter, the Court will address Bundy's Motion in due course and no later than when Defendants make their Rule 29 Motions at the close of the government's case-in-chief. The Court directs the government to file a response to Bundy's Motion no later than September 19, 2016, and Bundy may file a reply no later than September 23, 2016, at which time the Court will determine whether oral argument would be helpful before the Court takes the matter under advisement. 09/13/2016	1261	ORDER by Judge Anna J. Brown. At 7:12 a.m. on Tuesday, September 13, 2016, Defendant Shawna Cox filed a Motion 1256 for a Continuance. The Court conducted jury-selection proceedings on September 7, 8, and 9, 2016, and set opening statements to begin on September 13, 2016, at 9:00 a.m. Before the jury was brought into the Courtroom on September 13, 2016, Defendant Cox withdrew her Motion for a Continuance and stated she wished to proceed with trial. On this record, therefore, the Court DENIES as moot Cox's Motion 1256 for a Continuance. (bb) (Entered: 09/13/2016)

09/13/2016	1264	Motion to Quash <i>Jury Pool</i> by Defendant Ryan Bundy. (Attachments: # 1 Exhibit 1 & 2) (Ludwig, Lisa) (Entered: 09/13/2016)
09/13/2016	1265	Order by Judge Anna J. Brown. At in-person voir dire proceedings on September 7, 2016, the Court denied Defendants' request to excuse the Juror in seat #26 for hardship. On September 9, 2016, that juror was selected to sit on the trial jury and sequenced to sit in seat #5. In a conversation with the Jury Administrator that evening, however, Juror #5 raised more specific hardship concerns. On September 12, 2016, the Court held a telephone conversation on the record with Juror #5 during which the juror stated that serving in this estimated nine-week jury trial would cause undue financial hardship because he would not be compensated by his employer beyond the first week of service, and he did not have sufficient financial means to otherwise meet his financial obligations without his wages. In addition, Juror #5 stated he anticipated being scheduled to have dental surgery at an as-yet determined time, but likely during the expected course of the trial. On this record, the Court GRANTS Juror #5's hardship request, EXCUSES Juror #5 from further service on this case, and OVERRULES Defendants' objection to excusing the juror as stated on the record at the September 13, 2016, jury trial proceedings. The Court also OVERRULES Defendants' objection to selecting an alternate juror by lot from the pool of alternate jurors to serve as a trial juror. The parties and the Court previously agreed to select 8 alternate jurors and that, in the event a trial juror was excused, a replacement would be selected from the alternate jurors by lot. The Court memorialized this agreement in its Jury Management Order and Protective Order (#978), issued August 3, 2016. The Court notes no party objected to the Court's memorialization of that agreement until Defendants challenged this agreed procedure on the morning of trial after the parties then knew the seating sequence in which the alternate jurors were otherwise ordered. The Court notes this procedure was proposed and accepted as a means to ensure each of the alternate jurors remains engaged throughout the potentially lengthy course of the trial proceedings. Because the grounds for the excuse of Juror #5 arose after the Court and the parties completed jury-selection proceedings and after the remaining prospective jurors were excused, the Court concludes it is appropriate to employ the previously-agreed procedure whereby an alternate juror is selected by lot to serve in place of the excused Juror #5. Accordingly, in open court and on the record on September 13, 2016, the Courtroom Deputy drew the number 19 at random from numbers that ranged from 13 to 20. The Court, therefore,

		SEATS Juror #19 as a trial juror for this case in the place of the now-excused Juror in Seat #5. (bb) (Entered: 09/13/2016)

09/14/2016	1277	Order by Judge Anna J. Brown. After reviewing the discovery issues raised in Defendant Ryan Bundy's Motions 1206 , 1207 , 1208 , 1209 , 1211 , 1212 , 1213 , 1224 , the Court determines a government response is necessary to complete the record on the discovery requests contained therein. Although several of the issues raised in Ryan Bundy's Motions have already been addressed by this Court or have already been resolved through the government's previous production of voluminous discovery in this case, the Court nonetheless concludes a government response is necessary to complete the record. Accordingly, the Court directs the government to file a single response to Ryan Bundy's Motions (#1206, #1207, #1208, #1209, #1211, #1212, #1213, #1224) no later than September 20, 2016. 09/15/2016	1284	ORDER by Judge Anna J. Brown. The Court DENIES as moot Defendant Ryan Bundy's Petition 1225 for Writ of Habeas Corpus ad Testificandum regarding Peter Santilli. In that Petition Ryan Bundy sought to prevent the transport of Santilli, who was previously a defendant in this case, to the District of Nevada pursuant to that court's detainer of him for the purpose of ongoing criminal proceedings against him in that District. Although Ryan Bundy sought in this Motion to have Santilli available to testify as a defense witness in this case, Mr. Santilli has since indicated to the parties that, if called as a witness, Santilli intended to invoke his right against self-incrimination under the Fifth Amendment to the United States Constitution. In light of Santilli's intent to invoke his

		Fifth Amendment rights, the parties agreed the Court need not intervene to prevent the transport of Santilli to the District of Nevada because, among other reasons, in the event Santilli's testimony is needed at trial to authenticate certain evidentiary exhibits, the parties agreed such testimony could be presented by video teleconference or by telephone. 09/16/2016	1287	Order as to Ammon Bundy by Judge Anna J. Brown. The Court notes Defendant Ammon Bundy's Motion 1280 for a Mistrial included quotations from a rough-draft transcript of the jury trial proceedings on September 14, 2016 in violation of the Court's Sealed Order 1141 Governing Use of Rough-Draft Transcripts. Accordingly, by Order 1282 , issued September 15, 2016, the Court sealed Ammon Bundy's Motion 1280 for a Mistrial. At the jury trial proceedings on September 15, 2016, counsel for Ammon Bundy agreed the Motion could remain under seal and, therefore, that he did not require an opportunity to file an Amended Motion. The Court admonishes the parties to refrain from quoting verbatim any unofficial, rough-draft transcripts in public, court filings or other public statements. The rough-draft transcripts are only available to the parties and "may be used only as a work-product tool." Order 1141 Governing Use of Rough-Draft Transcripts, at 3. (bb) (Entered: 09/16/2016)

As noted on the record, the Court expects all parties to meet the filing deadlines it set in its September 6, 2016, Order (#1226) regarding all motions filed during trial. Nonetheless, in the exercise of its discretion in this unique circumstance, the Court WITHDRAWS its Order (#1273) Denying Motions (#1186, #1188, #1189, #1190, #1192, and #1196) solely for the purpose of permitting Cox to file no later than 5:00 p.m., September 19, 2016, a single reply memorandum addressing her reply arguments in further support of these Motions (#1186, #1188, #1189, #1190, #1192, and #1196). 09/20/2016	1306	ORDER as to Ryan Bundy (5): Judge Brown has referred this matter to me. I view this less as an "independent assessment of whether a reasonable person could question [her] impartiality," and more of an abundance of caution in a case she is currently in the middle of trying. See 28 USC 455; <i>U.S. v. Klock</i> , 8 Fed. Appx 620, 621 (9th Cir. 2001). After review of the record on the motion for recusal 1274 and amended motion for Judge Brown to voluntarily withdraw 1276 including the excerpt of the proceedings held on 9/15/2016 the motion is facially insufficient to support recusal. Mr. Bundy's affidavit alleges bias grounded in her decisions on certain pretrial motions. A judge's adverse prior rulings are not sufficient cause for recusal. <i>Mayes v. Leipziger</i> , 729 F.2d 605, 607 (9th Cir. 1984). Mr. Bundy's other contentions are equally insufficient to raise a question of bias, including his allegations regarding access to discovery. Taken as a whole, his motion fails to allege specific facts that fairly support the contention that Judge Brown exhibits and bias or prejudice against him. For these reasons, the motion is DENIED. Ordered by Judge Michael W. Mosman. (dls) (Entered: 09/20/2016)

09/28/2016	1358	Order of Dismissal of Appeal by USCA-9th Circuit as to Shawna Cox regarding Notice of Appeal - Interlocutory 1088 USCA # 16-30193. The motion of appellant's standby counsel in the district court, Tiffany A. Harris, to withdraw as counsel of record in this appeal is granted. The Clerk shall enter on the docket appellant, 1031 South Monument Road, Kanab, Utah 84741, as appearing pro se. We conclude that we lack jurisdiction over this appeal because the district court's August 15, 2016 order is not appealable as a final judgment or an order that comes within the collateral order doctrine. See 28 U.S.C. § 1291; <i>Midland Asphalt Corp. v. United States</i> , 489 U.S. 794, 798 (1989) (stating that finality requirement generally "prohibits appellate review until after conviction and imposition of sentence"). 09/28/2016	1361	ORDER by Judge Anna J. Brown. The Court DENIES Defendant Shawna Cox's Motion 1356 to Strike Docket Entry 1230 , in which Cox contends the exhibits attached to the Declaration 1230 of Charles Houghten do not provide a basis for the Court to take judicial notice of the ownership of the Malheur National Wildlife Refuge. Cox has not established any basis to strike the Declaration of Charles Houghten 1230 and the exhibits attached thereto that the government provided in support of its Motion 1229 for Judicial Notice Regarding Ownership of the MNWR Headquarters. The Court adheres to its conclusion in its Order 1327 Taking Judicial Notice of Federal Ownership of the Malheur National Wildlife Refuge, issued September 22, 2016, that the record is

		sufficient on which to take judicial notice that the United States government owns the Malheur National Wildlife Refuge. (bb) (Entered: 09/28/2016)

09/28/2016	1366	ORDER by Judge Anna J. Brown. The Court has reviewed Defendant Shawna Cox's Motion 1362 for Reconsideration in which she requests the Court reconsider its September 20, 2016, Order 1308 Denying Motions Filed by Defendant Shawna Cox. Having carefully reviewed the Motion to Reconsider and that underlying Order, the Court finds there is not any legal or factual basis to change the challenged analysis or legal conclusions therein. Accordingly, on this record, the Court GRANTS Cox's Motion (#1362) for Reconsideration to the extent the Court has reconsidered its analysis and conclusions in its Order 1308 , but having done so, the Court, nevertheless, adheres to its rulings in its Order 1308 . (bb) (Entered: 09/28/2016)
09/28/2016	1367	ORDER by Judge Anna J. Brown. For the reasons stated on the record during jury trial proceedings on September 27, 2016, the Court DENIES the government's Second Motion 1343 for Judicial Notice Regarding Hammond Case. The record is insufficient to permit the Court to take judicial notice of the location of the lands on which Dwight and Steven Hammond committed arson. The Court, nevertheless, adheres to the facts regarding the Hammond case that it took judicial notice of as a result of the Order 1253 issued September 12, 2016. (bb) (Entered: 09/28/2016)

09/29/2016	1369	Order of USCA-9th Circuit as to Ammon Bundy regarding Notice of Appeal - Interlocutory 967 USCA # 16-30179. This is an appeal from the district court's pretrial detention order. We have jurisdiction pursuant to 18 U.S.C. § 3145(c) and 28 U.S.C. § 1291. We review the district courts factual findings concerning the danger that appellant poses to the community under a "deferential, clearly erroneous standard." United States v. Hir, 517 F.3d 1081, 1086 (9th Cir. 2008) (quoting United States v. Townsend, 897 F.2d 989, 994 (9th Cir. 1990)). The conclusions based on such factual findings, however, present a mixed question of fact and law. Hir, 517 F.3d at 1086. Thus, "the question of

		whether the district court's factual determinations justify the pretrial detention order is reviewed de novo." Id. at 1086-87 (citations omitted). The district court correctly found that the government has met its burden of showing, by a preponderance of the evidence, that "no condition or combination of conditions will reasonably assure the [defendant's] appearance." 18 U.S.C. § 3142(e); see also <i>United States v. Motamedi</i> , 767 F.2d 1403, 1406 (9th Cir. 1985). The district court also correctly determined that the government has met its burden of showing, by clear and convincing evidence, that "no condition or combination of conditions will reasonably assure... the safety of... the community," 18 U.S.C. § 3142(e), and that appellant therefore poses a danger to the community. See <i>Hir</i> , 517 F.3d at 1094. We therefore affirm the district court's pretrial detention order. AFFIRMED. (jtj) (Entered: 09/29/2016)

10/03/2016	1384	ORDER: It has come to the Court's attention that the Court has not filed an order formally resolving Defendant Kenneth Medenbach's Motion 1030 for Judicial Notice in which he requests this Court take judicial notice that Medenbach has filed three motions challenging the validity of this judicial officer's oath of office and this Court's subject-matter jurisdiction over these proceedings. The Court, therefore, DENIES Medenbach's Motion 1030 for Judicial Notice as to Kenneth Medenbach (16). Ordered by Judge Anna J. Brown. (dls) (Entered: 10/03/2016)

Deatherege's proffered testimony is generally relevant to security procedures that the alleged co-conspirators put in place at the Malheur National Wildlife Refuge. Although the Court remains concerned about the number of witnesses who have observed testimony in this matter in violation of the Court's consistent direction to the parties that witnesses are to be excluded from the courtroom, the Court, in the exercise of its discretion, declines to exclude the testimony of Deatherege on the basis that he has observed the testimony of several witnesses. The Court, nonetheless, will permit the government to cross-examine Deatherege regarding his observation of other testimony in this case. (bb) (Entered: 10/11/2016)

10/18/2016	1452	ORDER by Judge Anna J. Brown as to Shawna Cox (7). For the reasons stated on the record during jury-trial proceedings on October 17, 2016, the Court GRANTS in part and DENIES in part Defendant Shawna Cox's Motion 1443 to Compel Discovery Regarding Informant or Agent. The Court directed the government to produce to Defendants all un-redacted reports of the confidential human source (CHS) identified in Cox's Motion. The government then represented it had produced such reports to Defendants. The Court then denied Cox's Motion to the extent it sought any additional information about the CHS identified in Cox's Motion, subject to the government's duty to provide additional disclosures in the event that the CHS testified in a manner that the government knows to be false. The CHS identified in Cox's Motion was then called as a witness by Cox and testified after lunch during the jury-trial proceedings on October 17, 2016. The Court concludes the record is now closed on this Motion. (bb) (Entered: 10/18/2016)
10/18/2016	1453	ORDER by Judge Anna J. Brown as to Ammon Bundy (1). On October 15 and 16, 2016, in connection with Defendant Ammon Bundy's Motion 1423 to Compel Information Regarding Government's Use of Informants, the Court conducted an in camera review of 112 un-redacted confidential human source (CHS) reports for 13 such sources and compared them to the redacted versions the government produced in discovery in July 2016. In that review, the Court considered whether to compel the government to produce any of the redacted information (including identities) contained in those reports. In doing so, the Court also reviewed an ex parte Declaration from Assistant United States Attorney Geoffrey Barrow that the Court directed AUSA Barrow provide as part of the in camera inspection which included a list of the identities of these persons. Before court convened on the morning of October 17, 2016, the Court emailed to the parties a preliminary ruling in which the Court informed the parties that it concluded there was not any information in the un-redacted versions of the reports that was "relevant and helpful" to any defense. See United States v. Henderson, 241 F.3d 638, 645 (9th Cir. 2000). During further oral argument held at the beginning of jury-trial proceedings on October 17, 2016, Defendants argued that it would be helpful and necessary to the defense for the government to produce a summary of the number of CHSs who were present at the Malheur National Wildlife Refuge (MNWR) during the periods charged in the Superseding Indictment. After conferral among counsel, the government agreed to a stipulation that of the 15 total CHSs relevant to this case (two of whom were already known to Defendants, leaving the thirteen whose un-redacted reports the Court reviewed in camera) nine CHSs were informants personally present at the MNWR at some point during the occupation, and, of those nine, three such CHSs were identified during the trial. Accordingly, on this record the Court DENIES as moot Defendant Ammon Bundy's Motion 1423 to Compel Information Regarding the Government's Use of Informants. By separate Order, the Court is sealing pending further Order the materials the Court reviewed in camera. (bb) (Entered: 10/18/2016)

As a result, the Court permitted the testimony of Diane Holthaus, Janalee Tobias, Louis Smith, and Ed Snipes as noted on the record. The Court aslo notes the portion of Wampler's Motion that addresses the admissibility of his prior conviction for impeachment purposes is moot because Wampler elected not to testify. (bb) (Entered: 10/18/2016)

The Court, however, permitted the testimony of Harney County Judge Steven Grasty as to his request that Defendants leave the MNWR and the decision not to allow Defendants to use the county fairgrounds for a meeting, Chad Karges to testify as to the activities of employees of the Malheur National Wildlife Refuge, and Harney County Sheriff's Deputy Lucas McLain to testify he was not at a meeting at Ye Old Castle cafe on January 2, 2016. 10/26/2016	1495	Order by Judge Anna J. Brown as to Ammon Bundy, Ryan Bundy, Shawna Cox, David Lee Fry, Jeff Wayne Banta, Kenneth Medenbach, Neil Wampler. For the reasons stated

		on the record during proceedings on October 25 and 26, 2016, and based on the stipulation of the parties reached October 26, 2016, the Court DISMISSES the juror seated as Juror #11 for good cause. See <i>United States v. Christensen</i> , 828 F.3d 763, 806 (9th Cir. 2015)("A court may dismiss a juror during deliberations for good cause."). As agreed by the parties before trial and pursuant to Federal Rule of Criminal Procedure 24(c)(3), the Court selected by random draw the alternate juror seated as Juror #18 to serve as a trial juror for deliberations to begin anew after Court proceedings convene with the parties and these 12 jurors on Thursday, October 27, 2016, at 8:30 a.m. At that time, the Court will instruct the jurors consistent with 9th Circuit Model Criminal Jury Instruction No. 7.12 and inquire of Juror #18 as discussed in the first paragraph of the Comment to that Model Instruction. In light of these developments, the Court DENIES as moot Defendant Ammon Bundy's Motion 1492 to Dismiss Juror for Bias. (bb) (Entered: 10/26/2016)

11/01/2016	1527	Order by Judge Anna J. Brown as to Jason Patrick, Duane Leo Ehmer, Dylan Anderson, Sean Anderson, Sandra Lynn Anderson, Darryl William Thorn, Jake Ryan. The Court directs the government and counsel and/or standby counsel for the Defendants set to begin trial on February 14, 2017, to confer and to file a joint status report no later than November 16, 2016, that sets out updated case-management proposals, suggested deadlines for juror summonses, the filing of final pretrial motions, and the filing of pretrial documents. The Court reminds the parties that they remain bound by the Court's rulings that were not specific to the trial that began on September 7, 2016. (bb) (Entered: 11/01/2016)
11/01/2016	1528	Order by Judge Anna J. Brown. For the reasons that follow, the Court UNSEALS in part the Jury Management Order and Protective Order 978 , issued August 3, 2016. Because the September 7, 2016, trial has now concluded, there is not any continuing basis for the Court to maintain most of this Order under seal. In light of the anticipated second trial in this matter set to begin on February 14, 2017, however, the Court concludes good cause still exists to protect from public disclosure the procedures used for partial sequestration of the jury so that those procedures can be employed again, if necessary. Accordingly, in the public version of the unsealed order, the Court will redact references to the procedures regarding the partial sequestration of the jury. In addition, the Court emphasizes the parties remain bound by the Protective Order prohibiting the disclosure of the names and personally-identifying information of jurors, alternate jurors, and potential jurors. 11/21/2016	1575	Minutes of Proceedings: The Court conducted a Status Hearing with the parties currently set for jury trial beginning on February 14, 2017 as to Jason Patrick, Duane Leo Ehmer, Dylan Anderson, Sean Anderson, Sandra Lynn Anderson, Darryl William Thorn, and Jake Ryan. At the Status Hearing, counsel for the government indicated the government was not prepared to confirm whether it plans to proceed to trial against one or more of the Defendants (scheduled to begin trial on February 14, 2017) on one or more of the charges alleged in the Superseding Indictment 250 . The Court emphasized that the February 14, 2017, trial date is firm; that excludable delay under the Speedy Trial Act as to these seven Defendants has been found only through that trial date; and that the time remaining until that trial date requires the Court to act promptly to summons jurors such that any further delay by the government in confirming its intentions as to the charges on which it intends to proceed to trial is wholly unacceptable and risks unnecessary burden on potential jurors and unwarranted, significant expenses associated with summoning a large number of jurors (such as the 1,500 jurors summons for the trial that began on September 7, 2016. Accordingly, the Court directed the government to complete its consideration of this issue promptly and, in any event, not later than December 12, 2016. The Court also directed the parties to confer further and to file a single, updated joint status report no later than 3:00 p.m., December 12, 2016, in which (1) the government provides its final decision as to the charges on which it intends to proceeds as to each of the seven Defendants set to begin trial on February 14, 2017; (2) the parties provide realistic estimates as to the duration of any trial to begin on February 14, 2017; and (3) the parties provide updated recommendations regarding a meaningful schedule to accomplish any necessary pretrial proceedings. Finally, the Court directed the parties to submit an updated proposed juror questionnaire no later than 3:00 p.m., December 12, 2016, that includes questions relating to potential jurors' requests to be excused on account of hardship due to the expected duration of the trial and questions relating to potential jurors' exposure to media coverage of the trial that began on September 7, 2016, and coverage of the Not Guilty verdicts in that trial. 12/15/2016	1621	Order by Judge Anna J. Brown. The Court has reviewed the Supplemental Memorandum 1620 filed by Interested Media re Disclosure of Jurors' Names. It is clear to the Court from the arguments stated therein that, in order for the Court to weigh fairly the potentially competing interests raised in the Motion 1581 of the Interested Media, it is necessary to contact the jurors whose identities are the subject of the Protective Order and which the Interested Media seek for the purpose of developing an accurate factual record, including as to whether any of such jurors has been the subject of threats or other adverse reactions to their jury service in the trial that began September 7, 2016. The Court also finds that none of the parties to this action are in a position to represent the jurors' collective interests adequately. Accordingly, the Court hereby appoints as Pro

		Bono counsel the following attorneys to represent the collective interests of such jurors in this Motion: David B. Markowitz, Laura R Salerno Owens, and Harry Wilson of Markowitz Herbold PC, 1211 SW 5th Avenue, Suite 3000, Portland, OR 97204, 503-295-3085. The Court directs Pro Bono counsel to file an appearance in this action to confirm this appointment and to thereby acknowledge they are subject to the existing Protective Order protecting from public disclosure the identities of the subject jurors. The Court will then notify the jurors of the appointment of counsel and will provide the jurors and counsel their respective contact information. The Court directs Pro Bono counsel to file no later than January 13, 2017, a Memorandum and any other necessary filings to develop the factual record and legal arguments regarding the collective interests of the jurors in the Motion 1581 of the Interested Media. No later than January 27, 2017, the Interested Media and any other party to this matter may file responsive memoranda. At that point, the Court will review the record to determine whether oral argument is warranted on the Motion. (bb) (Entered: 12/15/2016)

01/04/2017	1659	Scheduling Order by Judge Anna J. Brown as to Jason Patrick, Duane Leo Ehmer, Dylan Anderson, Sean Anderson, Sandra Lynn Anderson, Darryl William Thorn, Jake Ryan. Status Conference set for 1/6/2017 at 09:00 AM in Portland Courtroom 9A is RESET AS TO TIME ONLY TO 9:30 AM before Judge Anna J. Brown. (bb) (Entered: 01/04/2017)
01/04/2017	1660	Order by Judge Anna J. Brown. The Court has completed an updated Juror Questionnaire (based on the Juror Questionnaire used to gather information about prospective jurors ahead of the trial that began on September 7, 2016). The updated Juror Questionnaire will be included with summonses to be sent promptly to 1000 prospective jurors before in-court voir dire for the trial set to begin on February 14, 2017. Before finalizing the Questionnaire, the Court considered the parties' input,

		including various objections and arguments Defendants raised in the parties' Joint Status Report 1619 , and the Court provided the parties a copy of the Juror Questionnaire by email on December 29, 2016. Although the updated Juror Questionnaire includes some of the parties' various recommendations, it remains very similar to the Questionnaire the Court and parties used to prepare for jury selection in the September 7, 2016, trial which, the Court notes, was more than adequate to prepare the Court and the parties for in-court voir dire. In particular, the Court finds without merit Defendants' concern about widespread "juror fatigue" because that argument is inconsistent with the Court's experience in the September 7, 2016, trial. Moreover, the Court declines to employ the "graded question format" that Defendants propose because that format requires prospective jurors to choose between arbitrary categories of responses that are susceptible to being interpreted differently by prospective jurors and, therefore, would not be helpful (and may be misleading) in preparation for in-court voir dire. In any event, the Court concludes that Defendants' concerns about the need to pose additional questions to specific jurors can be adequately addressed when they submit proposed juror-specific voir dire questions before in-court voir dire commences. Accordingly, consistent with its Order 1624 issued December 14, 2016, the Court directs the Jury Administrator to send the updated Juror Questionnaire together with summonses to 1000 prospective jurors as soon as practicable. 01/17/2017	1728	Order by Judge Anna J. Brown. In light of the parties Joint Status Report 1717 in which they report a dispute regarding the classification of the misdemeanor charges in the Misdemeanor Information 1628 and whether Defendants charged therein are entitled to trial by jury, the Court directs the parties to file no later than Noon, January 18, 2017, a single, joint statement of authorities in which the government and Defendants collectively each set out the legal authority for their respective positions. The Court will hear argument on this question at the beginning of proceedings on January 20, 2017, and before the Court conducts the necessary arraignments on the misdemeanor (and new felony) charges. 01/17/2017	1729	Response to Motion by USA as to Jason Patrick, Duane Leo Ehmer, Dylan Anderson, Sean Anderson, Sandra Lynn Anderson, Darryl William Thorn, Jake Ryan regarding Motion in Limine 1676 filed by Defendant Jason Patrick (Knight, Ethan) (Entered: 01/17/2017)
01/17/2017	1730	Order by Judge Anna J. Brown as to Jason Patrick. The Court directs Defendant Jason Patrick to file no later than Noon, January 19, 2017, a single memorandum in support of his Motion 1711 for Writ of Habeas Corpus ad Testificandum for Ammon Bundy and Motion 1714 for Writ of Habeas Corpus ad Testificandum for Ryan Payne. In particular, the Court directs Patrick to address the following: (1) the difficulty securing the personal presence of Bundy and Payne in light of their presumed need to prepare for upcoming trial proceedings in the District of Nevada (see United States v. Smith, 924 F.2d 899, 896 (9th Cir. 1991)); (2) the timeliness of Patricks Motion in light of the obvious and easily anticipated difficulty securing the presence of Bundy and Payne and the fact that Patrick has been in a sufficient position to make a strategic decision concerning his decisions to seek the testimony of Bundy and Payne for some time; (3) the alternative potential to secure the testimony of Bundy and Payne via video teleconference; and (4) the current status as to whether Bundy (and his current Nevada counsel) and Payne (and his current Oregon and Nevada counsel) have any objection to these Motions. The government need not file a response as to these issues as the Court will take the governments position on Patricks Motions at the hearing on January 20, 2017. The Court, however, directs government counsel to consult with the USMS and be prepared to address at the hearing the logistical and timing issues related to transporting Bundy and Payne from and returning them to their custodial status in the District of Nevada. (Merrithew, Jesse) (Entered: 01/27/2017)
01/27/2017	1777	Minutes of Proceedings: Evidentiary Hearing held on 1/27/2017 before Judge Anna J. Brown as to defendant Darryl William Thorn (22). The Court convened an evidentiary hearing on Defendant Thorn's Motion (#1670) to Suppress. Although Defendant had previously insisted on his right to appear personally at this hearing and, to facilitate that appearance, the Court expedited the authorization of funding for Defendant to travel from Spokane, WA, to Portland, OR, to attend this hearing, Defendant missed his flight and was not personally present. Under the circumstances, Defendant's counsel confirmed Defendant waived his personal appearance, requested to listen to the proceedings by telephone, but did not intend to testify. The Court accommodated Defendant's request, and Defendant listened to the testimony, argument of counsel, and the Court's ruling on the Motion. Government Witness Troy Nickoll sworn and examined. Defense Exhibits #101 and #102 received by the Court and released back to defense counsel. For the reasons stated on the record and summarized here, the Court DENIES Defendant's Motion # 1670 . With respect to statements Defendant made at the time of his arrest pursuant to an arrest warrant and during his transport away from the scene of his arrest, the Court finds there is not any factual basis to conclude those statements were the product of intentional actions by government agents to incite incriminating statements without the benefit of Miranda warnings or actions that a reasonable law-enforcement

		<p>officer should know are reasonably likely to elicit an incriminating response. In addition, the Court finds Defendant was not interrogated. Finally, the Court finds Defendant's statements as described were voluntary, spontaneous assertions challenging the agents' authority and the legality of his arrest or otherwise suggesting the agents might be subject to retaliation because of his arrest ("an eye for an eye") or that his arrest would not affect the "movement" because so many other people were available to take his place. Thus, none of these statements are subject to suppression. The Court also DENIES Defendant's request to reconsider any of the Court's previous rulings regarding earlier requests to suppress "Facebook" evidence. See Order (#1275) Denying Motion to Suppress Facebook Evidence. The Court noted and the government concedes these previous rulings make available to the government, subject to evidentiary rules of admissibility, only those Facebook entries that were responsive to the search warrants. To the extent that Defendant Thorn has an objection to the use by the government or any co-Defendant of Thorn's Facebook evidence, counsel for Defendant Thorn may, before the Final Pretrial Conference convenes on February 7, 2017, present a Joint Statement to the Court with the specifics of the issue for the Court's further consideration. Finally, to the extent Defendant's Motion sought an order precluding use of evidence of any statement by Defendant on Facebook, other social media, or otherwise made after February 12, 2016, on the basis that the alleged conspiracy was concluded by then, such broad motion is DENIED with leave to renew in a more-particularized manner. 		Bench Trial on Class B Misdemeanors 1803 . Even assuming, however, that counsel's declaration did form a sufficient basis to support the Motion, nothing counsel describes suggests that a reasonable person with knowledge of all the facts would reasonably question Judge Brown's impartiality in presiding over the Class B Misdemeanor bench trial. by Judge Michael W. 02/24/2017	1943	ORDER: After the recess of trial proceedings on February 23, 2017, the parties informed the Court by email that the issues raised in the anticipated Motion <i>in Limine</i> that was the subject of the government's Motion (#1940) for Leave to File Motion <i>in Limine</i> Under Seal had been rendered moot by the agreement of the parties. Accordingly, the Court DENIES as moot the government's Motion (#1940) for Leave to File Motion <i>in Limine</i> Under Seal with leave to re-file in the event that the issues germane to the Motion <i>in Limine</i> again become ripe. 02/24/2017	1944	Order by Judge Anna J. Brown. For the reasons stated on the record during the hearing held on February 24, 2017, during the noon jury-trial recess, the Court GRANTS the Motion 1921 to Quash Subpoena filed by John Sepulvado and Oregon Public Broadcasting (OPB). The Court concludes the proposed testimony of Sepulvado is protected by the journalist privilege. See <i>Shoen v. Shoen</i> , 5 F.3d 1289, 1292-95 (9th Cir. 1993). See also <i>Shoen v. Shoen</i> , 48 F.3d 412, 415-16 (9th Cir. 1995). The Court, nevertheless, reserves ruling on the admissibility of the excerpt of the OPB broadcast that contains the statements of Ryan Bundy until Defendants have the opportunity to determine whether they wish to call Ryan Bundy to testify regarding such statements and, if so, whether there is any obstacle to doing so. The Court, therefore, will permit the government to rest provisionally while this issue remains pending, and the Court will complete its analysis after Defendants are prepared to complete the record as to the admissibility of this evidence. If the Court determines the evidence may be admitted, the government may offer it after it has provisionally rested. (slm) (Entered: 02/24/2017)
02/24/2017	1945	ORDER: The Court reviewed at Defendants' request the Draft Presentence Investigation Report (PSR) as to Blaine Cooper in connection with his pending sentencing in United States v. Blaine Cooper, 2:16-cr-00046-009, in the District of Nevada in order to determine whether that document contained any relevant, exculpatory information to which Defendants are entitled ahead of Cooper's anticipated trial testimony. After that review and in consultation with Cooper's counsel, the Court redacted the information in the PSR that the Court determined should not be disclosed to Defendants and distributed to defense counsel and counsel for the government a redacted version of the PSR. The Court strictly prohibits counsel and/or any other individual who comes into contact with the redacted PSR from disseminating it or any information contained therein beyond the legitimate, authorized members of the parties' litigation teams. The parties are free, however, to use the information in the redacted version of the PSR for purposes of examining Mr. Cooper as a witness. The Court directs the Clerk to file the unredacted PSR under seal, available only to the Court. The Court also directs the Clerk to file the redacted PSR separately and under seal, available only to the Court and the parties. Ordered by Judge Anna J. Brown. (pvh) (Entered: 02/24/2017)

04/06/2017	2059	ORDER: For the reasons stated on the record at the Release Hearing held April 6, 2017, and pursuant to the Order # 2057 Setting Conditions of Release, the Court GRANTS Motion # 2055 for Revocation of Detention Order filed by Gary Hunt. 04/06/2017	2060	SCHEDULING ORDER: For all purposes related to proceedings against Gary Hunt in this matter, the parties and the Court will refer to him as "Respondent Gary Hunt" or "Respondent" or "Hunt," but not as "Defendant Gary Hunt." As the parties agreed during the Release Hearing on April 6, 2017, the Court will adjudicate Respondent Gary Hunt's response to the Court's Order # 1901 in two stages. The Court will first hear the parties' arguments as to the jurisdictional issues Respondent seeks to make. Respondent's memorandum regarding jurisdictional issues is due no later than Noon on April 21, 2017 . The government's response is due no later than Noon on May 1, 2017 . No reply will be permitted, and, accordingly, the Court encourages counsel to confer about the merits of these jurisdictional issues before Respondent files his memorandum. The Court SETS a hearing regarding the jurisdictional issues on May 9, 2017, at 2:00 p.m. in Courtroom 14A of the Mark O. Hatfield U. S. Courthouse, 1000 SW Third Avenue, Portland, OR. Pursuant to its orders authorizing Hunt's release, Hunt is required to appear in person at this hearing. In the event that the Court determines it has jurisdiction to continue to consider the merits of the government's arguments in support of finding Hunt in contempt for allegedly violating certain Protective Orders in this matter, the Court will set an additional briefing schedule and another hearing date and time at which Hunt must appear to in order adjudicate Hunt's response to the Court's previous Orders to Show Cause. The Court directs Hunt's counsel, Michael Rose, to ensure Hunt receives a copy of this Order. Ordered by Judge Anna J. Brown. (pvh) (Entered: 04/06/2017)

07/05/2017	2154	Minutes of Proceedings: In Chambers Conference before Judge Anna J. Brown as to Ryan Payne. On June 30, 2017, the Court conducted an informal conference regarding the scheduling of the sentencing proceedings for Defendant Ryan Payne. Participating in the conference were AUSA Ethan Knight, FPD Lisa Hay, and by phone AFD Ryan Norwood, District of Nevada counsel for Defendant Payne (who also listened to the telephone discussions in real time). Among other issues, counsel and the Court discussed the feasibility of scheduling the sentencing in this proceeding before the conclusion of the Nevada trial involving Defendant Payne which is expected to begin 30 days after the conclusion of the trial involving other Defendants set to begin on July 10, 2017. Based on the length of the first Nevada trial and counsel's estimates of what may be involved in the July 10 retrial, the Court concluded the earliest the Nevada trial involving Defendant Payne would begin is late-September or October 2017, and based on that estimate, the Court requested the parties to identify any obstacles to conducting the sentencing proceeding in this case before the beginning of the Nevada trial against Defendant Payne. His counsel in both cases re-stated their earlier objections to the simultaneous prosecution of Defendant Payne in both Districts and specifically objected to conducting any sentencing in the District of Oregon before Defendant's Nevada trial in Nevada because of a general concern that doing so would interfere with Defendant's trial preparation in Nevada and/or his preparation for sentencing in this District. The Court committed to taking steps necessary to ensure Defendant's transport from and return to the District of Nevada would be on a firm schedule that would minimize Defendant's absence from the District of Nevada. The Court also offered to facilitate access by Payne's Nevada counsel to Defendant while he was in Oregon in order to permit his continued preparation for his upcoming trial in the District of Nevada. In light of the uncertainty regarding the scheduling of Defendant's trial in the District of Nevada, the Court found concerns about trial preparation in that District were not sufficiently specific at this time to justify another continuance of Defendant's sentencing proceeding until after his trial in the District of Nevada, which would likely require a delay of the sentencing proceeding until January 2018, at the earliest. Instead, the Court determined it was prudent to set Defendant Payne's sentencing to take place in Oregon sufficiently before late-September or early October when his Nevada trial may begin, but to reassess the parties' readiness and ability to proceed then sometime after the July 10 Nevada trial

		is underway. Accordingly, the Court SETS Defendant Payne's sentencing hearing for August 25, 2017, at 9:00 a.m. in Portland Courtroom 14A before Judge Anna J. Brown. Sentencing memoranda are due no later than Noon, August 18, 2017. The Court directs the parties to file no later than 4:00 p.m., August 10, 2017, a single, joint status report in which they update the Court on the likely scheduling of trial proceedings against Defendant Payne in the District of Nevada and to set out their positions regarding the viability of the August 25, 2017, sentencing hearing in this case. The Court SETS a hearing by telephone conference for August 15, 2017, at 11:00 a.m. in order to address on the record any matters raised in the joint status report, to consider the bases for any specific objections to the August 25, 2017, sentencing hearing, and to consider any request at that time to continue the sentencing to January 2018 or later. 08/16/2017	2205	Minutes of Proceedings: Pretrial Release Violation Hearing before Judge Anna J. Brown as to Darryl William Thorn. For the reasons stated on the record, the Court finds Defendant Darryl William Thorn is not presently able to demonstrate by clear and convincing evidence that he is not a danger to the community or a flight risk, and, therefore, pursuant to 18 U.S.C. § 3143(a)(1), the Court REVOKES Defendant's release pending sentencing and REMANDS Defendant to the custody of the United States Marshal's Service. The Court, nonetheless, remains open to the possibility that after a mental health evaluation and upon a more-fully developed evidentiary record Defendant may be able to demonstrate by clear and convincing evidence that there are a combination of release conditions that can assure that Defendant does not pose a danger to the community or a flight risk if he is released before his November 21, 2017, sentencing date. To that end, the Court directs the parties to arrange for Defendant to undergo an in-custody, mental-health evaluation performed by a qualified mental-health professional as soon as possible. The Court tentatively sets a hearing for August 22, 2017, at 2:30 p.m. to provide the parties an additional opportunity to further develop the evidentiary record and to present additional arguments to the Court about whether Defendant qualifies for release pending sentencing pursuant to 18 U.S.C. § 3143(a)(1). The Court directs the parties to advise the Clerk as soon as possible how much time they require for that hearing and whether the hearing should be rescheduled based on the availability of witnesses. Counsel Present for Plaintiff: Craig J. Gabriel. Counsel Present for Defendant: Jay A. Nelson. (Court Reporter Amanda LeGore). (jy) (Entered: 08/16/2017)

The Court acknowledges receiving the Notice (# 2316) of Release Hearing in Nevada and Request for Confirmation of No Oregon Detention Order filed by Defendant Ryan Payne at 1:28 p.m. on November 8, 2017. In that Notice, Payne informs the Court that the District of Nevada will conduct a release hearing at 9:00 a.m. on November 9, 2017, and requests this Court to enter an order confirming that Payne is not subject to a hold in this District. The Court notes, however, that this Court released Payne from custody in this District "in order that he may be transported to the District of Nevada and held there for his participation in negotiations and related proceedings as reflected on the record during his change-of-plea hearing on 7/19/16. The Court, therefore, directs Defendant to be released to the District of Nevada hold. In the event Defendant is expected to be released from Nevada before he is sentenced in the District of Oregon, the Court directs counsel for Defendant Payne and the United States to give this Court advance notice thereof so that, if necessary, this Court may reimpose its detention orders or address any conditions of release that may be necessary." Order (# 914), issued July 20, 2016. The late filing of Payne's Notice does not provide this Court sufficient time to consider whether Payne's detention order in this District should be reimposed or, alternatively, on what conditions Payne should be released from custody pending sentencing in this District. Accordingly, in the event that the District of Nevada finds Payne should be released from custody pending trial in that District, this Court requests the District of Nevada defer entering such an order until

		such time as this Court has considered whether Payne's order of detention should be reimposed in this District. The Court directs the parties to make the Chief Judge of the District of Nevada aware of this Order before the release hearing set for 9:00 a.m., November 9, 2017. (jy) (Entered: 11/08/2017)

The Court also directs the government to have the tribal representative prepared to make the requested presentation at the sentencing hearing for Defendant Ehmer on November 16, 2017. The Court will hear any necessary argument on this issue at the beginning of the sentencing hearing for Defendant Ehmer set for 1:30 p.m. on November 16, 2017. If counsel for Defendant Jake Ryan is available, he may participate in order to permit this matter to be addressed for both Defendants at the same time. 11/14/2017	2326	ORDER by Judge Anna J. Brown granting Motion 2318 as to Duane Leo Ehmer (10), and Jake Ryan (26). The Court GRANTS the government's Motion (# 2318) to Permit Appearance of Tribal Representative. In the exercise of its discretion to determine who may address the Court at the sentencing hearings for Defendants Duane Leo Ehmer and Jake Ryan, the Court finds it is appropriate to permit the Tribal Representative to make a presentation. Although the Burns Paiute Tribe is not a named victim of the crimes of conviction, the Court observes that a substantial portion of the cost to remediate the property Defendants Emher and Ryan depredated involves the cultural significance of the property to the Tribe. The Tribal Representative, therefore, has an obvious interest in offering relevant information about the cultural significance of the depredated property to assist the Court in determining the sentences "sufficient by not greater than necessary" to accomplish the sentencing purposes defined in 19 USC 3553(a) for each of these Defendants. In addition, in light of the Court's significant experience handling a wide variety of sentencing issues, the Court finds there is not any realistic chance that the Tribal Representative's statements will cause an undue emotional reaction that would improperly influence the Court's sentencing determinations. The Court, nonetheless, directs the government to provide Defendants Ehmer and Ryan with a summary of the anticipated statements of the Tribal Representative no later than 5:00 p.m., November 14, 2017. 12/21/2017	2391	<p>Minutes of Proceedings: Status Conference before Judge Anna J. Brown as to Joseph O'Shaughnessy and Ryan Payne. The Court conducted a telephone status conference with the government and counsel for Defendants Ryan Payne and Joseph O'Shaughnessy regarding the release status of those Defendants in light of recent developments in the District of Nevada. The Court SETS a follow-up telephone status hearing for January 9, 2018, at 11:00 a.m. at which the Court directs the telephone participation by Defendants Payne and O'Shaughnessy. Absent an intervening change in circumstances, this Court will maintain Defendants Payne and O'Shaughnessy on their current release status until at least the status hearing on January 9, 2018, in order not to interfere with their ongoing need for potential trial preparation. 01/02/2018	2397	<p>ORDER by Judge Anna J. Brown as to Jon Ritzheimer and Ryan Payne. On December 28, 2017, Pretrial Services notified the Court that it had obtained photographic evidence</p>

		that Defendants Ryan Payne and Jon Ritzheimer had visited the Bundy Ranch, potentially in violation of their Oregon conditions of release. The Court forwarded this information to counsel for Payne, counsel for Ritzheimer, and counsel for the government, and invited the parties to respond before the Court determined whether to authorize arrest warrants for such alleged violations or to set a hearing to consider such allegations. Both Payne and Ritzheimer submitted responses through their counsel indicating, among other things, that each did not believe visiting the Bundy Ranch violated their Oregon release conditions. After considering these responses and determining Defendants' assertions were incorrect, but debatable in the context of overlapping release conditions from both the District of Nevada and the District of Oregon, the Court concluded it was possible to address the allegations informally and not through formal proceedings in order to resolve the dispute expeditiously and to make clear to both Defendants the Court's expectations of their compliance with Oregon release conditions. The Court then sent to the parties its tentative assessments of the appropriate responses to the information provided by Pretrial Services, and the Court offered Payne and Ritzheimer an opportunity to be heard on the matter in a formal hearing. In response, Ritzheimer requested some changes to the Court's tentative order, to which the Court agreed, and, therefore, Ritzheimer agreed the matter could be resolved without a formal hearing on the terms set out in an order modifying his conditions of release and an Amended Judgment advancing to 1/12/18 Ritzheimer's surrender date for his prison sentence. Payne neither requested any further changes to the Court's tentative disposition nor a formal hearing on the matter. Accordingly, the Court enters orders this date modifying the conditions of release for both Ritzheimer and Payne, and an Amended Judgment as to Ritzheimer. Formal orders to follow. Court recommends supervision be transferred to the District of Arizona and strongly recommends defendant be placed in a RRC in Phoenix, Arizona; RESTITUTION: \$10,000.00; SPECIAL ASSESSMENT: \$100.00 signed on 1/2/2018 by Judge Anna J. 01/03/2018	2402	Order by Judge Anna J. Brown as to Jon Ritzheimer. The Court DENIES as moot Defendant Jon Ritzheimer's Motion [#2396] to Modify Conditions of Release. The Court finds there is insufficient time to adjudicate the constitutional issues raised in Ritzheimer's Motion and to provide meaningful relief, if appropriate, in light of the recently reset January 12, 2018, voluntary-surrender date. Moreover, in light of the circumstances of this case (which included Ritzheimer allegedly using social media to recruit others to attempt to interfere with the Hammonds' voluntary surrender for their term of imprisonment) the Court finds the social-media limitations placed on Ritzheimer are reasonable and necessary to ensure he will surrender as directed. 01/09/2018	2406	Scheduling Order as to Ryan Bundy by Judge Anna J. Brown. In light of the dismissal with prejudice of all charges pending against Defendant Ryan Bundy in the District of Nevada, the Court now directs the government to file no later than January 23, 2018, a statement specifying whether it intends to re-try Defendant Ryan Bundy on Count Five of the Superseding Indictment (# 282) or to dismiss Count Five with prejudice. If the government does seek a new trial of the Count Five charge against Mr. Bundy, the Court directs government counsel, Mr. Bundy, and his stand-by counsel to confer and to submit no later than January 31, 2018, a Joint Status Report proposing a schedule for resolution of Count Five, including proposed date(s) for a new jury trial. Petitioner Jeanette Finicum has filed an Amended Petition (# 2444) for Ancillary Proceeding that supersedes her earlier Petition (# 2370) for Ancillary Proceeding. Accordingly, the Court DENIES as moot Finicum's original Petition (# 2370) for Ancillary Proceeding. 03/06/2018	2584	Order as to Ryan Bundy by Judge Anna J. Brown. On February 27, 2018, the Court shared with the parties a proposed form of Judgment as to Defendant Ryan Bundy. Although the government advises it does not have any objection to the Court's proposed form, Defendant Ryan Bundy responded to the Court's proposal by filing a Notice (# 2582) and a Proposed Final Judgment (# 2583). The Court has reviewed Ryan Bundy's Notice and Proposed Judgment and concludes they do not raise any legally cognizable issue for this Court to address. Thus, to the extent these filings are intended to raise an objection from Ryan Bundy to the Court entering its proposed form of Judgment, the Court OVERRULES such objection and declines to enter Ryan Bundy's Proposed Final Judgment. Accordingly, the Court directs the Clerk to enter the Judgment the Court prepared dated March 6, 2018, which is consistent with the proposed form previously sent to the parties.
